# Laszlo Spatchcock

All songs written and arranged by Laszlo Spatchcock except 7 (Brunner/Spatchcock).

Recorded at Fir Tree, Lushwood Hills, summer 2023

Produced by Todd Brunner

Mixed by Todd Brunner and Chris Christ

Track 7 consists of themes taken from various Todd Brunner pieces of the 1990s, rearranged here into a new piece. This was Chris's idea as he is a mega fan of Todd's work from the 90s period. We managed to write and arrange the piece in secret and then spring it on Todd the first day of recording. You should have seen his face!
